-

1. Based on the information provided below, design and develop a website for ICDL (International Conference on Digital Libraries). 40

- (a) The website should have link to four web pages — a home page, previous conferences, programme committee and theme.
- (b) The home page should have a banner.
- (c) Background colour – sky blue
- (d) Text colour – dark brown

Use appropriate HTML tags, controls, images, tables and navigational elements.

The International Conference on Digital Libraries (ICDL) is organised by The Energy Research Institute (TERI), New Delhi at regular intervals. The first *conference* was held in 2006 which was inaugurated by the President of India. Subsequent conferences were held during 2008, 2010 and 2013. The *theme* of the 2013 conference was Digital Libraries : The Role of Social Media.

Each year the conference constitutes a strong *programme committee*. 2013 Conference Programme Committee consisted of international experts like Ian Witten (New Zealand) as Chairman, while other members included Michael Seadle (Canada), Anna Maria Tamaro (Italy), Williams Carry (Australia), Li Cheng (USA), etc.

You may provide other details on your own, if required.
